

## Plugable Universal Tablet Stand

PT-STAND1

### Universal Fit

Elevate your second screen with the Plugable Universal Tablet Stand (PT-STAND1). A universal fit for phones and tablets up to 12.9", the space gray aluminum tablet stand for desk and travel features a sturdy 360° rotating base, foldable design with no-slip base, and cable pass-through for a neat, organized desk.

### Adjustable

Stay flexible with a base that spins 360°, and two joints with 180° of movement, this phone, and tablet stand easily collapses for convenient transport and storage. It's ideal for travelers, dynamic workspaces, and folks looking for the perfect view.

### Compatibility

This stand for iPad, phone, and tablet accommodates any phone or tablet up to 12.9".

## Find the Perfect View

With a 360° rotating base and 180° adjustable hinges
