

Plugable Laptop Tablet Stand

PT-STANDX

Universal Fit

Elevate your work with the Plugable's Foldable Laptop and Tablet Stand (PT-STANDX). For devices up to 16", 11lbs (5kg), the ultra-lightweight, TAA-compliant stand features fantastic ergonomics and flexibility. Ideal for remote work, and travel.

Travel Friendly

The Plugable Portable Folding Laptop and Tablet Stand (PT-STANDX) is ultra-thin. The lightweight design easily folds flat and slips into your bag. From airplane tray tables to remote work setups, this stand lets you enjoy ergonomic viewing anywhere. Durable and collapsible, it's the traveler's choice for convenience and comfort.

Compatibility

Tablet and laptop riser is compatible with laptops and tablets up to 16" (including the 16" MacBook Pro) and 11lbs (5kg). Bulky tablet cases may need to be removed before use.
